Judges

Referee appointed by CERS Artistic Committee – Other judges from Italian Federation FIHP and foreign Federations upon invitation

Official classifications will be calculated according to FIRS Artistic system WHITE

By the approval of F.I.H.P. as a development project, this competition will be also used for the checks of different testing judging system for free skating (short and long program) – RollArt judging system. It will be applied only to certain categories (cadets, youth, junior and senior)!

Technical Score (A Mark) will be based on evaluation of each free skating element (jumping elements, spins and steps) with its own test value.

Presentation (B Mark) will be evaluated by different more detailed keypoints considering the experiences from group competitions and ice figure skating.

Attached to this document the rule book of the RollArt judging system. It's not necessary to adapt the competition program (long and short) to the indications of this rule book to be judged by RollArt system!
